## How the Program Works:

1. Children ages birth to 17 can register for a variety of free programs, including storytimes, workshops, and more!
2. You may register beginning June 22nd, but don't wait, programs fill up fast! Programs begin July 13th.
3. You'll receive a log book to record the titles of books you read this summer.
4. Read books, magazines, or whatever interests you! Then get your log book marked by the library staff each week to be entered into the weekly prize drawings!
